

Crystal Light Bed Healing

The Crystal Light Bed is a powerful healing system that deeply cleanses, opens, energises and balances your chakra centres, raising the frequency of your energy field to create physical, emotional and spiritual healing.

Crystal Light Bed healing can assist with clearing blockages that keep you stuck in unconscious patterns of behaviour, belief systems, circumstances and emotional energies that no longer serve you and your life's path.

Karen Grubb

Karen has been reading tarot professionally for the past ten years and is now teaching a beginners tarot course. She has attended Doreen Virtues' Angel Intuitive, Advanced Angel Therapy and Mediumship courses. Karen also enjoys working with animals and attended an animal communication course with Trisha McCagh. After completing two years of study, in 2011 she received a Diploma of Medical Intuition through the Carmel Bell College of Medical Intuition, Karen is a Crystal Light Bed Practitioner and Medium associated with the Casa De Dominacio and has also completed a Genome Healing course in July 2015.

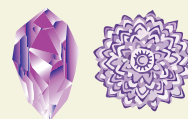

Carol Sammut

Carol is a qualified Kundalini Yoga and Meditation teacher, as taught by Yogi Bhajan. Her passion is spiritual and hands on energetic healing through crystals, light, sound and vibration. Carol is a Reiki Master, Sat Nam Rasayan Healer, Crystal Light Bed Practitioner and Medium associated with the Casa De Dominacio in Brazil. Her purpose in using all of these healing modalities is to bring Peace, Lightness, Joy and Balance into people's lives and empower them on their own journey to wellness, connection and healing.

Karen and Carol enjoy combining all their learning and abilities when facilitating a crystal light bed therapy session.
